

3 ways

to
Stop your Dog from
licking its wounds

Why does a dog lick its wounds?

Coz, it makes them feel
betterrrrrrrrrrr...

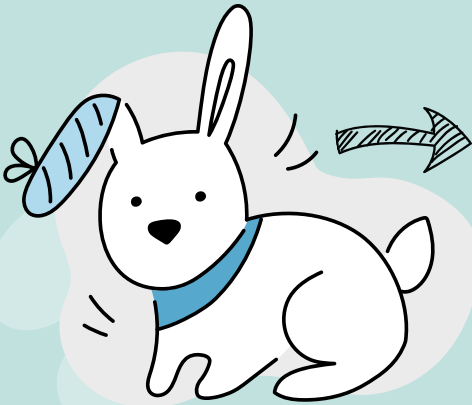

Facts of Dog's Saliva

- Doesn't cure wounds
- Inhibits bacterial growth

ELIZABETHAN COLLAR

- Commonly known as 'Cone of shame'.
- Its large corner stops reaching the wounds.
- Just find the right collar for your dog

INFLATABLE COLLAR

- Limits dog's movements.
- Some are easily tearable.
- But challenging for long-nosed dogs

WOUND BOOTS

- Cover the bandage from water/dirt
- Comfort for the dog's body
- This means, Less stress and fast recovery

Remember to check
with the Vet for a
speedy recovery.
