BENEFITS of COLLAGEN for Dogs

Our Four-legged friends need the same nutrition as Hooman does!

Know about the incredible benefits of collagen below

1 HEALTHY SKIN FOR DOGS

- Locks moisture and gives a smooth & plump look
- Restores skin from flaky patches
- Reduces wrinkles and promotes healthy nails

2 SUPPORTS JOINT FUNCTION & MOBILITY

- High in protein, keeps joints flexible
- Combat stiffness & signs of arthritis
- Positive effects on Osteoarthritis

3 BOOSTS IMMUNITY

- Fights against diseases
- Prevents frequent sickness
- Safeguards from contagious infections

4 SUPPORTS DIGESTION

- Highly helpful for senior dogs
- Reverses digestion issues
- Visible improvements when added to daily diet

5 KEEPS YOUR DOG STRESS-FREE

- Eases anxiety
- Extra nutrition with other amino acids
- Keeps your dog happier and healthier
