

## Customized Map

Build your love story with a customized hand-drawn map of where you both met for the first time.

## Hammock

Camping, trekking, or on a beach vacation, the super-packable and portable hammock will give you rest assured!

## RV Pet Temperature Monitor

Purchase a pet monitor, check the ambient temperature changes, and gift yourself peace of mind while traveling.

## Camp Stove

Buy a stove that runs on multiple fuels, so you don't have to worry about finding white gas in remote locations.

## Waggle Pet Camera

You can leave your pooch home alone on your Valentine's date/trip. Connect with your pet and toss treats anytime, anywhere with the Waggle Pet camera.

## Instant Film Camera

Go old-school style and get an instant film camera. Start capturing your travels together in a flash.

## Rechargeable Headlamp

Have headlamps handy (preferably **USB chargeable**) on a trek or when the power goes out. It is more powerful than your mobile's flashlight. So, keep your hands free!
