

HOW TO BRUSH A DOG'S TEETH?

#1

Kneel or sit near your dog's head.

#2

Use light pressure on your dog's teeth and gums.

#3

Clean their teeth with your finger over several sessions before using the toothbrush.

#4

Allow your dog to taste the dog toothpaste. If they don't like the taste, experiment with different tastes & brands until they like it.

#5

Position the toothbrush at a 45-degree angle to the gum line and gently brush.

#6

Apply gentle circular strokes to all of the teeth, top and bottom.

Always end with a treat and praise.
