

HOW TO KEEP YOUR PET SAFE & HAPPY ALONE!

CREATE A SAFE SPACE

- Designate a comfortable area in your home where your pet feels secure.
- Include their favorite bed, toys, and a piece of clothing with your scent.

KEEP THEM ENTERTAINED

- Prevent boredom and anxiety by providing stimulating toys.
- Puzzle feeders, chew toys, or toys that can be filled with treats work well.

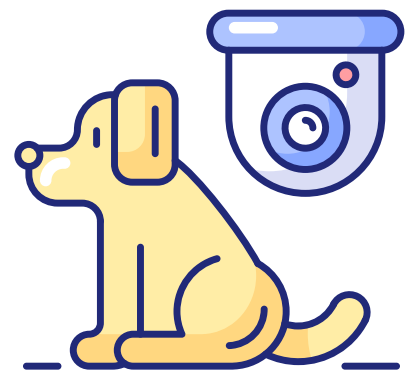

COMFORTABLE ENVIRONMENT

- Ensure the temperature and lighting are comfortable for your pet.
- Adjust curtains for natural light and set a smart thermostat for optimal temperature.

INSTALL A PET CAMERA

- Keep an eye on your pet and interact with them remotely.
- Choose a camera with two-way audio to hear and speak to your pet.

REGULAR EXERCISE

- Make sure your pet has plenty of exercise before you leave.
- A long walk or active playtime can help expend energy and calm them down.

LEAVE BACKGROUND NOISE

- Mimic the normal household environment by leaving some background noise.
- Play soothing music or leave the TV on a low volume to keep them company.

TIME FEEDING PROPERLY

- Use automatic feeders to keep their feeding schedule consistent.
- Program the feeder to dispense food at the usual meal times.

CONSIDER A PET SITTER

- For longer absences, a pet sitter can provide care and companionship.
- Choose someone trusted or a professional service with good reviews.
