

why Waggle pet monitor Stands out from the competition?

1. **Waggle pet** monitor ensures your pet is always safe while travelling or at home.

2. Monitors Pet's environment temperature on the go right on your Smartphone.

3. Works across a range of hot and cold temperatures for Summer & Winter use.

4. Long lasting rechargeable battery gives you peace of mind even when there is power loss.

5. Sends instant alert messages when there is a temperature excursion in your RV/Car/Home.

6. Uses cellular technology to give you the real time temperature alerts & updates.

7. waggle pet monitor is small & compact and that can be quickly fitted anywhere inside the RV car.
