

How to Stop a Dog from Barking?

Stay Calm

Avoid yelling. Use a firm, gentle command like 'quiet' to discourage barking.

'Quiet' Command Training

"Say 'quiet', reward silence with treats. Increase quiet intervals gradually.

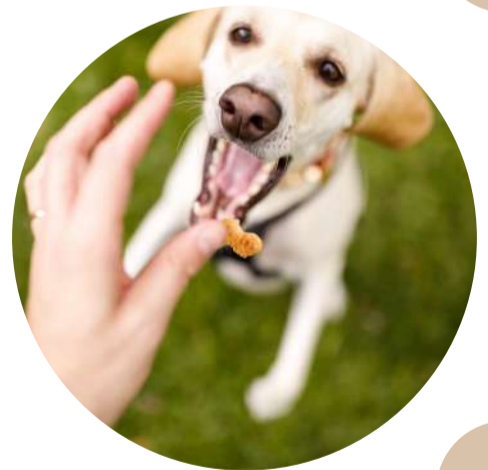

Exercise and Mental Play

Keep your dog physically active and mentally stimulated to reduce boredom barking.

Avoid Reinforcing the Barking

Don't reinforce barking with attention. Reward calmness instead.

Distraction Strategy

Distract from triggers like the doorbell by teaching them to go to a spot and stay quiet..
