

TOP TIPS FOR PET SAFETY Year Round

- Keep your pets indoors on hot days.
- Provide your pet with fresh water, shade, and shelter from the sun.
- Walk or jog in the morning to avoid high temperatures.
- Avoid leaving pets in parked cars; it's risky.
- Regularly groom your pet according to their breed.

- Dog booties shield your dog's paws from the cold.
- You can limit your dog's outdoor time in cold weather.
- Keep your dog's fur dry after snow play.
- Provide your dog with a dry, wind-free shelter.
- Avoid overfeeding your dog to prevent health problems.
