

Reasons Why Dogs Drool in Cars

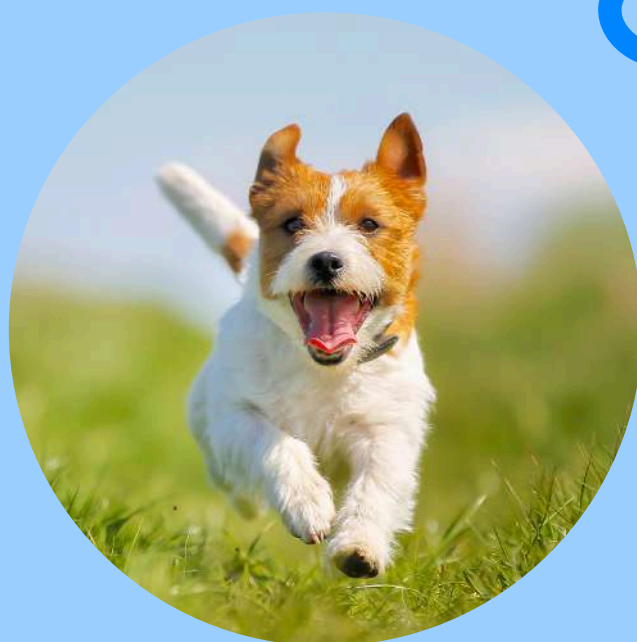

1. Motion Sickness

Car rides cause drooling from motion sickness; ease with smooth driving.

2. Eagerness

Dogs drool with anticipation for car rides; regular outings help minimize it.

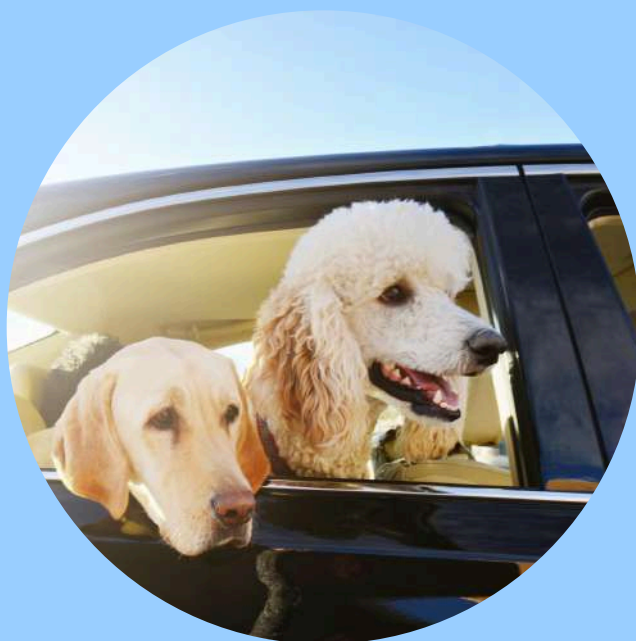

3. Stress and Anxiety

Some dogs fear car rides to the vet, causing anxiety; calming aids can help.

4. Overheating

Hot cars cause dogs to drool; ensure ventilation, water, and never leave them alone.

5. Nausea from Smells

Odors in cars trigger drooling; ventilate and remove strong scents for relief.
